Principal's Message

Education is the manifestation of love and my most cherished possession. Education drives away ignorance and through illumination it emboldens a man to a righteous thought and action. It energizes a society and enables a man to earn his living with respect and praise. Hence my love for it.

In order to accomplish our vision and mission, we are prepared to take as much effort as possible for the betterment of academic scenario in Kendrapara. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our thousands of students, which subsequently benefit the society.

Our teachers strive to teach not only academic programmes but also life skills needed for students' self development with highly resourceful faculty.

I wish the best of fortune, peace and prosperity to all those who contribute to the noble task of spreading education and its manifest qualities, aims and objectives.

THE COLLEGE CREST

The College crest proudly placed a top embodies an abiding commitment to academic excellence coupled with uncompromising human values that truly makes a man. Teaching and learning are the twin gems of wisdom which are accomplished through books.

A Bidyarthi epitomizes this perfection by virtue of this wisdom. Bidya Para Devata i.e. "Learning is God" is a clarion call to action for every student placed here, for learning.

The symbols of *Plough and Corn* stands for perseverance and resultant effects, the *Lotus* bestows grace, beauty and prosperity and the *Burning Lamp* inspires to reach out to the deprived- lot and enlighten them with knowledge.

VISION OF THE COLLEGE

- ❑ To make higher education qualitative and value-based for socio-economic transformation of the nation.
- ❑ To instill a sense of discipline and morality among the student community for making the students socially responsible citizens.

MISSION OF THE COLLEGE

- ➡ To provide qualitative education to all the students of all the sections of the society with a view to cultivate in them social, moral, economic and spiritual values and enable them to earn their livelihood.
- ➡ To make the institution excellent and exemplary at the University level.
- ➡ To provide literary, scientific, professional and technical education to the aspiring rural youths at a minimum cost.
- ➡ To be recognized as an institution with proven capacity to provide quality education in Science Commerce and Humanities.
- ➡ To meet the changing needs of the society.
- ➡ To introduce self-financing courses in multi-disciplinary areas.
- ➡ To adopt continuous measures to improve the quality of the programmes undertaken by the college administration.
- ➡ To provide need-based and career oriented courses to the students.

HISTORICITY OF THE COLLEGE

Pattamundai College which is situated in the vicinity of Pattamundai town and is accredited by the NAAC as B+ Grade college, is one of the leading educational institutions in the district of Kendrapara in Odisha. The college imparts education in +2 and +3 Arts, Science and Commerce. The college was born in the wake of a protest against non-existence of a college to impart higher education to the students in and around Pattamundai in the late sixties. Some intellectuals, zealous of their rights for higher education led a movement and a plan of action gathered pace soon. Pattamundai Student's Association consisting of the students pursuing higher studies in different colleges across the state mooted the idea in a meeting and a proposal was adopted to this effect unanimously. They fought through rough terrains to concretise such an imposing & noble cause. Driven by a passionate intensity, they strove to reach the desired goal. As a maiden step, a managing committee was formed to elect the office-bearers in order to put a positive spin in the regard. Sri Prahallad Mallick, the then Deputy Minister of Irrigation and Power, Govt. of Odisha, was elected as the President and Sri Brundaban Tripathy, the Chairman of Pattamundai Panchayat Samiti was elected as the Secretary and Dr. Padmanav Tripathy as Vice-President. All other rules and regulations were laid out to expedite the process. The committee swung into fund raising enterprise by motivating and impressing upon the people. Public donations and

subscriptions began flowing slowly and steadily which made the shaky beginning a stable one soon. In the year 1967 about fifteen acres of land were acquired for this dreamt institution. The foundation stone was laid by the President on the 1st June, 1967. The existing committee was refurbished in the year 1968 and Dr. Padmanav Tripathy was elevated to the office of the Secretary and Sri Biswanath Mishra, the President to put the rest of things into effects. The College started operating from the 5th July, 1970. To memorize the day, it is annually observed as the Foundation Day of the College.

GOVT. CONCURRENCE AND AFFILIATION

Utkal University had been pleased to grant concurrence and affiliation on the 5th June, 1970 which authenticated its functioning from the academic year 1970-71. Since then the college has been marching unimpeded for the last 50 years and not it has reached a phenomenal growth with 25-40 students, 44 lecturers and 45 non-teaching staff members and imposing infrastructure. Barely three years after, Govt. concurrence and University affiliation were availed for the opening of B.A. in 1973. Permission was granted for the opening of I.Com in 1978 and B.A. (Hons) in History with 16 seats in the same year too. Therefore Permission was granted for the opening of Hons in English, Odia, Sociology, Philosophy and Education and B.Com in 1989. Higher Secondary classes in Arts, Science and Commerce were opened from the session 1983-84. Govt. concurrence and

University affiliation was granted for opening of B.Sc in 1989-90. In 1990-91 affiliation was received for opening of philosophy and Commerce Hons with 48 seats each. The mounting demand for Pol.Sc and Odia Hons led to the increase of seats from 16 to 32 in each in 1991-92. In 1994-95 affiliation and Govt. concurrence was granted for 32 seats in Sociology Hons, 16 seats each for Mathematics and Chemistry Hons. A significant stride took place in the history of the College as University affiliation was obtained for Hons teaching in Education, Botany, Zoology and Physics with 16 seats each in 1997-98. In the year 2010-11 Commerce Dept. has made a break through by increasing its seats from 96 to 128. Opening of BBA (Self Financing Course) has added another feather in its cap. Opening of Electronics with 32 seats at +2 level, e-Admission at +2 and +3 level, increase of Accounting Hons. seats from 32 to 48 in +3 Commerce are some of the other significant achievements.

U.G.C. Grant

The College has started receiving grants from University Grants Commission from 6th to 12th Plan period. During the last five years its infrastructure had developed magnificently. A Gents' Hostel with capacity of 40 seats was built with the fund provided by the State Govt. A Women's Hostel for an accommodation of 70 students was built with UGC assistance during the financial year 2002-03. UGC has been pleased to sanction Rs. 70 Lakhs for the accommodation of girls students in another hostel in its 11th Plan period and one out door stadium funded by UGC is

now under construction. Two staff quarters have been constructed with UGC funding. Remedial classes are going on with the financial assistance extended by UGC. A career Counselling Cell has been formed which would motivate students to build up their career. A UGC network resource centre has also been opened under UGC norms for the upgradation of infrastructure and academic and administrative management. recently on OBC Hostel with the capacity of 100 seats has been constructed by the Central Govt. assistance.

The NAAC peer team of UGC in its august visit to this college took stock of its infrastructure and other academic performances and granted a glorious B+ Grade certificate in favour of the college in the session 2005-2006. Now, the college is preparing for the second NAAC reaccreditation.

CENTRAL LIBRARY

A library is an integral part of a College where learning is communicated through books. For this vital approach to learning for teachers as well as students the college has constructed a large Jubilee Building of about 5000 sft for the library named Central Library. Appropriate to its name it forms a centre-stage of academic pursuit. A large reading room is dedicated to students and it started functioning from 2002-03. Another reading room for teachers came up in 2004-05 to facilitate their preparatory and research work.

The library contains nearly books in the general section on all subjects. Besides the general section, it is in possession of books in the Book Bank, books in preference section including leading journals, magazines for advanced learning for students, teachers as well as researchers.

SEMINAR LIBRARY : The college has 14 departments and each department has a Seminar Library of its own.

INFRASTRUCTURE

The College is in possession of many valuable infrastructure that wear a formidable look. It provides housing to three teachers in its staff quarters and teachers' barracks. Water supply system expands over its entire campus. The College has a guest house, a Principal's quarter, a Co-operative Store, a massive play ground, a Post Office, a Canteen, an N.S.S. Training Centre, an NCC training centre and and three attractive gardens on the campus.

Amidst wide concern for global pollution and deforestation, the College took up a massive afforestation programme in the campus way back in 1992-93 in collaboration with the Soil Conservation Department. It has become a schedule, since that then afforestation drive is undertaken on important occasions. In the year 2011-12 nearly 200 trees including 100 Australian teak had been planted. Nearly 400 trees have grown into a luxuriant growth which forms a pattern of shady and bright scenery as the sun shines brilliantly overhead and the College nestles

under it. The shifting of pendal to College field during the session 2011-12 facilitates the administration to conduct cultural and other functions spreading over a year without causing hindrance to administrative and academic discipline. In this year too UGC has sanctioned grants for composite football and cricket field, a standard size concrete Basket Ball Court, a Tennis Court, a morrum volley ball court, an outdoor stadium and class rooms under capacity building which are vigorously taken up by the College administration to complete. The college reached a milestone in 2011-12 as SC/ST Dept. Govt. of India has been pleased to sanction a massive amount for construction of an OBC hostel which in the mean-while has been completed. Pattamundai College is one of the twin Colleges receiving such grants in Odisha.

MEMORIALS :

A statue of Utkalmani Gopabandhu Das one of the greatest architects of Modern Odisha was fondly placed in front of the College on 12.2.79 by Dr. Radhanath Rath under the auspicious occasion of the College Union Annual function. Then came up two more statues in 2002 one is of Dr. Padmanav Tripathy and the other is of Brundaban Tripathy to perpetuate their memory and their rich contribution to this College.

A statue of Mahatma Gandhi and a display board inscribing his best loved prayers have been installed inside

the garden and the expenditure was incurred by the staff members of the College. It was unveiled by Sj. Alekh Kumar Jena, Honble Ex- M.L.A. Rajnagar and Sj. Sanatan Behura a retired Governor awardee teacher.

FUTURE BECKONING

As the College enters its 50th year, it has emerged as a major premier educational institution in the district rendering a significant service to the student community. Its high academic discipline and commitment to academic excellence contribute to its becoming an educational hub. It has become a centerpiece for all good students.
