SESSION: - 2022-23

Course Name: A Bridge Course on Basic of Commerce and Accountancy

Eligibility: +2 Commerce and Science Pass (For those students who got admission in 1st Year B.Com in this College)

About the Bridge Course:

A bridge course for the students of commerce faculty is conducted every year to get the students the knowledge of commerce. The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in commerce. A Bridge course aims to cover the gap between the understanding level of the high school courses and higher educational courses. Bridge course is preparative course for college level course with an academic curriculum that is offered to enhance the knowledge of the students by means of preparing for the intellectual challenges of commerce subject and to know basic information about core subject. Bridge courses are the tool to help students to success in their graduate level studies. It is also a pre requisite and foundational course to know the basic information about commerce subjects.

Objective

The bridge course aims to act as a buffer for the new entrants with an objective to provide adequate time for the transition to hard core of degree courses. This gives them a breather, to prepare themselves before the onset of courses for first year degree programme. During this interaction of fifteen hours with the faculty and their classmates the students will be equipped with the knowledge and the confidence needed to take on bigger challenges in future.
