Major Observations:

1. **Academic Content:**
 - The highest number of responses were for "Excellent" (398), showing high satisfaction.
 - The number of "Satisfactory" responses (11) is very low, indicating overall contentment with the academic offerings.
2. **Usefulness of Teaching Materials:**
 - Although most responses fall in the "Very Good" (354) and "Good" (88) categories, the "Average" (34) responses suggest that some students might feel the need for improvement in teaching resources.
3. **Timeliness of Practical Work:**
 - While 374 respondents rated the timeliness of practicals as "Excellent," 18 students considered it "Average," indicating that punctuality could be enhanced in certain cases.
4. **Fairness of Evaluation:**
 - A notably large majority rated evaluation fairness as "Excellent" (440) or "Very Good" (99), suggesting students generally trust the fairness of assessments.
5. **Interaction with Faculty:**
 - Positive feedback dominates with 424 "Excellent" responses, while there is room for minor improvement in communication as 5 respondents rated it "Average."
6. **Interaction with Administration:**
 - The interaction with administration received good feedback (95 "Very Good"), though some students found it "Satisfactory" (7), indicating that administrative processes may need streamlining.
7. **Library Facilities:**
 - Positive ratings are prevalent, but a notable number (32 "Average" and 12 "Satisfactory") indicate room for improvement in the library's resources or accessibility.
8. **Computer Facilities:**
 - This category has the most mixed feedback, with only 206 "Excellent" and 68 "Very Good" ratings, but a substantial number of "Good" (100) and "Average" (172) responses. There seems to be significant dissatisfaction here, suggesting an urgent need for upgrading or expanding computer resources.
9. **Recreational Facilities:**
 - A majority rated recreational facilities positively, though some (21 "Average" and 6 "Satisfactory") might feel these offerings could be more diverse or better maintained.
10. **Extracurricular Activities:**
 - Students seem highly satisfied with extracurricular activities, but 20 "Average" and 6 "Satisfactory" responses indicate a desire for more or improved options.
11. **Sports Facilities:**
 - This category is highly rated (425 "Excellent"), but the 20 "Average" and 2 "Satisfactory" ratings suggest minor improvements could be made.

Suggestions and Recommendations:

1. **Upgrade Computer Facilities:**
 - With a high number of students rating computer resources as "Average" (172), consider upgrading systems, increasing the number of available computers, or improving internet connectivity.
2. **Library Modernization:**
 - Address concerns from students who rated the library as "Average" or "Satisfactory" by expanding collections, introducing digital resources, or improving study areas.
3. **Enhance Practical Timeliness:**
 - To improve the 18 "Average" ratings, ensure that practical sessions are consistently well-organized and timely, perhaps through better scheduling or communication between faculty and students.
4. **Administration Interaction Improvement:**
 - Streamline administrative processes or provide more support staff to ensure smoother and more efficient interactions with students, reducing the "Satisfactory" and "Average" feedback.
5. **Increase Recreational Options:**
 - Expand or improve recreational activities and spaces to address the needs of those who found the facilities only "Average" or "Satisfactory."
6. **Extracurricular and Sports Facilities:**
 - While overall satisfaction is high, organizing more diverse extracurricular activities and maintaining or upgrading sports facilities could further boost student satisfaction.
7. **Teaching Materials:**
 - Introduce more innovative and varied teaching materials, such as online modules or interactive content, to address concerns from the 34 students who found the materials "Average."

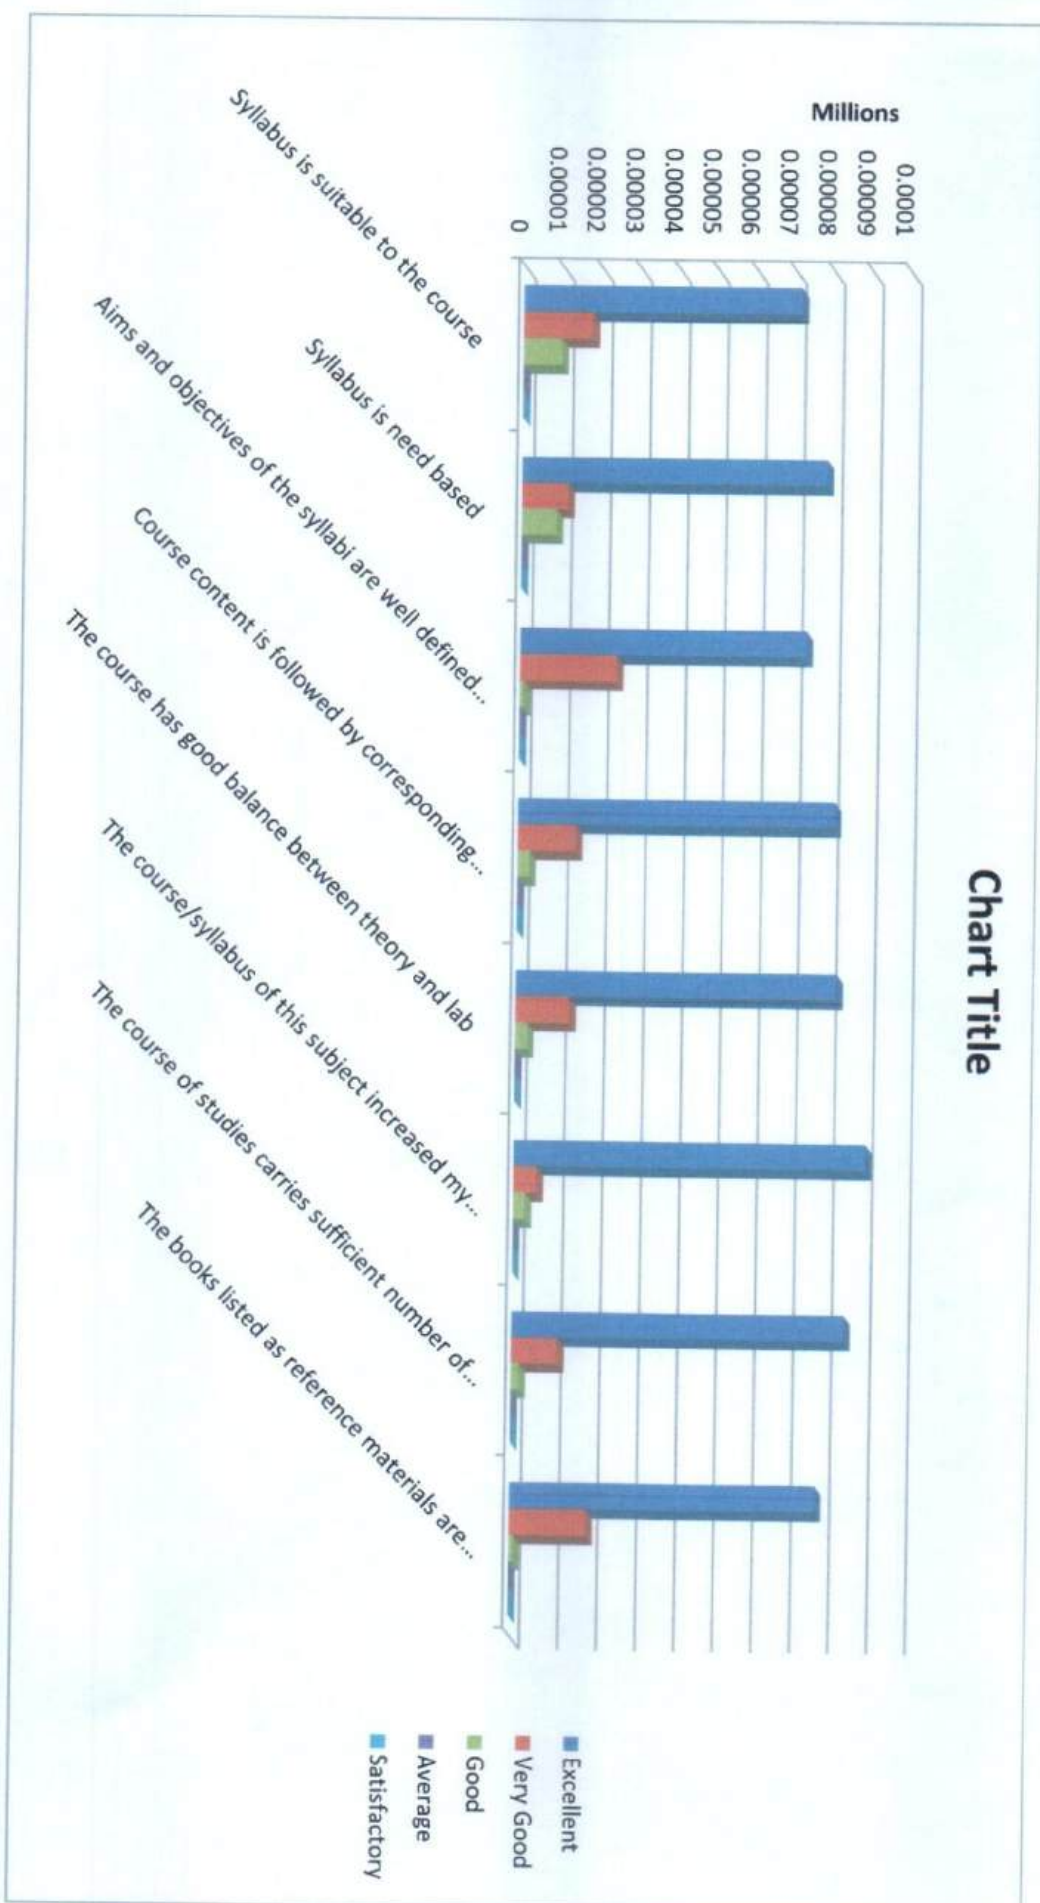

Teachers Feedback:

The feedbacks of all the teachers were collected regarding the contents of syllabus in five points scale. The data collected was analysed in the following table.

No. of Que st.	Questions	Excell ent	Ver y Go od	Go od	Aver age	Satisfac tory

(Responses in percentage)

Chart Title

Major Observations:

1. **Syllabus Suitability :**
 - 72% rated the syllabus as "Excellent," with 18% marking it as "Very Good."
 - There are no ratings below "Good," indicating strong overall satisfaction with the syllabus content.
2. **Need-Based Syllabus :**
 - 79% believe the syllabus is need-based and relevant, with 12% rating it as "Very Good."
 - Again, no responses fall into the "Average" or "Satisfactory" categories, indicating the syllabus aligns well with course and industry requirements.
3. **Clarity of Aims and Objectives :**
 - 74% rated the clarity of aims and objectives as "Excellent," and 25% rated them as "Very Good."
 - The absence of "Average" or "Satisfactory" responses suggests that both students and teachers understand the syllabus objectives well.
4. **Course Content and Reference Materials :**
 - 82% of students feel that the course content is well supported by corresponding reference materials, while 15% rated it "Very Good."
 - This indicates solid alignment between the course and supporting materials, with only 3% rating it as "Good."
5. **Balance Between Theory and Lab:**
 - 83% rate the balance between theory and lab components as "Excellent," while 14% found it "Very Good."
 - This suggests that the integration of practical and theoretical aspects is well managed.
6. **Knowledge Enhancement :**
 - A majority (91%) of students believe the course has significantly increased their knowledge and perspective.
 - This is a very strong indicator of the course's effectiveness in subject mastery, with only 3% rating it "Good."
7. **Optional Papers :**
 - 86% believe the course offers a sufficient number of optional papers, with 12% rating it as "Very Good."
 - This suggests that the range of optional courses is satisfactory to most students.
8. **Reference Materials Relevance:**
 - 79% found the reference materials relevant and up-to-date, with 20% rating it as "Very Good."
 - Only 1% rated it "Good," indicating minor concerns about the currency or relevance of certain references.

Suggestions and Recommendations:

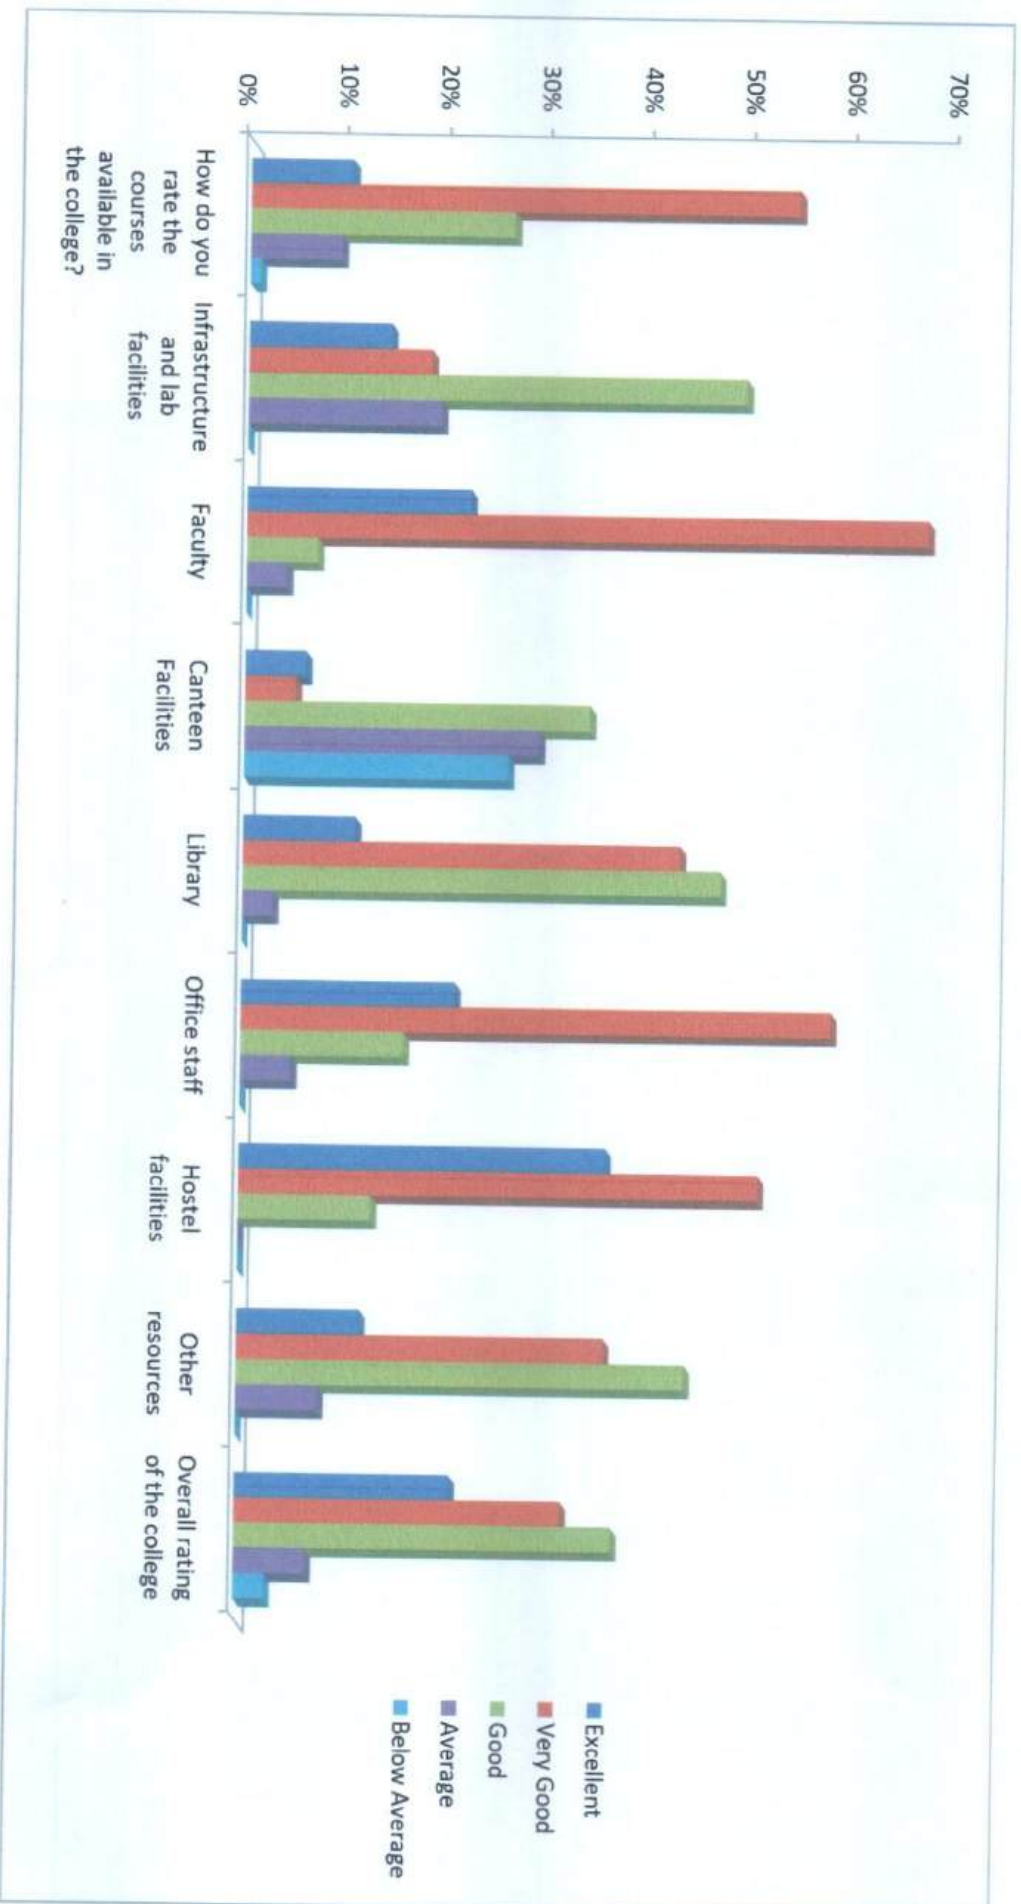

1. **Ensure Continuous Syllabus Updates:**
 - While the current syllabus is well-regarded, maintaining its relevance will require continuous updates, especially in rapidly evolving fields. Engage faculty and industry experts regularly to review and refresh the content.
2. **More Focus on Reference Material Diversity:**
 - Although most students find the reference materials appropriate, further expanding the range and diversity of sources could address the 1% "Good" rating. Consider including more digital resources, open-access materials, and case studies relevant to current trends.
3. **Enhancing Course Options:**
 - The positive response to the number of optional papers is encouraging, but adding even more specialized electives could cater to a broader range of interests and further improve student satisfaction.
4. **Maintain Balance Between Theory and Lab:**
 - The balance between theory and practical elements is excellent; however, to keep up with evolving educational trends, consider introducing more project-based learning and industry collaboration to enhance real-world applicability.
5. **Aims and Objectives Awareness:**
 - Since 25% rated the clarity of aims and objectives as "Very Good," ensure that ongoing communication between faculty and students clearly aligns course objectives with outcomes. Workshops or introductory sessions can be implemented to reinforce this understanding.
6. **Knowledge Enhancement:**
 - Since 3% rated the course's impact on knowledge as "Good," it may be beneficial to provide additional enrichment activities such as seminars, guest lectures from industry experts, and interdisciplinary projects to deepen students' knowledge further.

Alumni Feedback-

A total of 283 feedbacks are collected from the alumni of this institution out of many which based on different questionnaire particularly the institution has. They expressed their views whose details are given below.

8	Other resources	12%	36%	44%	8%	0%
9	Overall rating of the college	21%	32%	37%	7%	3%

(Responses in percentage)

Major Observations:

1. **Courses Available in the College :**
 - 54% of respondents rated the courses as "Very Good," but only 10% rated them as "Excellent."
 - 26% rated them as "Good," with 9% "Average" and 1% "Below Average." This suggests there is room for improvement in course offerings.
2. **Infrastructure and Lab Facilities :**
 - While 14% rated the infrastructure as "Excellent" and 18% as "Very Good," nearly half of respondents (49%) found it only "Good."
 - 19% rated it "Average," indicating significant dissatisfaction with infrastructure and lab facilities, potentially in need of urgent upgrades.
3. **Faculty :**
 - The faculty received overwhelmingly positive feedback, with 22% "Excellent" and 67% "Very Good" ratings.
 - Only 4% rated faculty performance as "Average," showing strong satisfaction with teaching quality.
4. **Canteen Facilities :**
 - The canteen facilities received low ratings overall, with 26% rating them "Below Average" and 29% "Average."
 - Only 6% found the canteen "Excellent," indicating this is a significant area for improvement.
5. **Library :**
 - The library received generally positive feedback, with 11% rating it "Excellent" and 43% "Very Good."
 - However, 47% rated it only "Good," suggesting that more resources or better accessibility could further enhance the library experience.
6. **Office Staff :**
 - 21% rated the office staff "Excellent" and 58% as "Very Good," showing satisfaction with administrative support.
 - Only 5% rated the office staff "Average," indicating that administrative efficiency is generally well-regarded.
7. **Hostel Facilities :**
 - The hostel facilities received highly favorable ratings, with 36% rating them "Excellent" and 51% "Very Good."
 - No ratings below "Good," suggesting students are quite satisfied with their living arrangements.
8. **Other Resources :**
 - 44% rated other resources as "Good," with 12% "Excellent" and 36% "Very Good."
 - 8% found the resources "Average," indicating some students may feel additional resources or facilities are required.
9. **Overall Rating of the College:**
 - The overall rating is somewhat mixed, with 21% "Excellent" and 32% "Very Good."
 - 37% rated it only "Good," and 7% rated the college as "Average," while 3% rated it "Below Average," indicating room for improvement in certain areas.

Suggestions and Recommendations:

1. **Improve Infrastructure and Lab Facilities:**
 - Since nearly **19%** of students rated the infrastructure and lab facilities as "Average," and **49%** as "Good," consider upgrading labs, classrooms, and other facilities. Regular maintenance, state-of-the-art equipment, and expanding learning spaces could help address dissatisfaction.
2. **Enhance Canteen Facilities:**
 - The canteen is a major area of concern, with **26%** rating it "Below Average." Improve food quality, hygiene, and variety. Consider offering healthier options and maintaining a clean and comfortable dining space to raise satisfaction levels.
3. **Expand Library Resources:**
 - The **47%** "Good" rating for the library suggests a need for additional resources or improved accessibility. Introducing more updated materials, digital resources, and longer operating hours could address student concerns.
4. **Broaden Course Offerings:**
 - Since only **10%** rated the course offerings as "Excellent" and **26%** found them "Good," consider expanding or updating the range of courses. Offering more electives, interdisciplinary courses, or industry-relevant subjects could increase satisfaction.
5. **Improve Other Resources:**
 - **44%** of students rated other resources as "Good." Focus on improving amenities like sports facilities, recreational spaces, or academic support centers to cater to student needs.
6. **Sustain Faculty and Office Staff Satisfaction:**
 - Both the faculty and office staff received high ratings. To maintain this, continue providing professional development opportunities for faculty and ensure administrative processes remain efficient and student-friendly.
7. **Maintain Hostel Standards:**
 - The hostel facilities have very positive feedback, with **36%** "Excellent" and **51%** "Very Good." Continue maintaining and possibly expanding hostel facilities to accommodate more students if necessary.
8. **Overall College Experience:**
 - With **37%** rating the college experience as "Good" and **7%** "Average," focus on improving weaker areas like infrastructure, canteen, and resource availability to enhance the overall student experience and raise the college's reputation.
